#### WHAT IF MY CHILD IS NOT IN THE CORRECT UNIFORM?

We understand at times, that students may not be able to wear their full uniform. Please see below if this occurs.

- If your child is unable to wear the correct uniform, please let the school know either through emailing the front office or a handwritten note.
- If students are not wearing the correct uniform, they will be verbally reminded about expectations of uniform. Students will be given a week to ensure that they are able to access the correct uniform.
- If students continue to wear incorrect uniform, an email through Compass will be sent home to parents by the class teacher identifying the uniform needing to be corrected.
- Once this email is sent home and time has been given for the correct uniform to be sought (one week), if the incorrect uniform is still being worn, parents and students will be asked to meet with a member of the Leadership team to discuss school uniform expectations.
- If you require any support in providing the school uniform for your students, please do not hesitate to contact the school.
